## HOW YOUR PARTICIPATION WILL BENEFIT THE CV ICE HOCKEY PROGRAM

Although the CV Ice Hockey Program is affiliated with the Cumberland Valley School District, all related expenses are borne by the players and the organization. It is only through fundraisers such as this tournament that we can defray the cost for each player and make it possible ALL children to enjoy this great sport. Ice time fees, equipment, travel and recognition programs are but a few of the expenses that our kids are faced with. Your generous support will enable us to continue this program while keeping the individual player expense at an affordable level.
